Corporate Success Through People: Making International Labour Standards Work for You

By Nikolai Rogovsky, Emily Sims

International Labour Office. Paperback. Book Condition: new. BRAND NEW, Corporate Success Through People: Making International Labour Standards Work for You, Nikolai Rogovsky, Emily Sims, In today's global economy, corporate managers are in the front-line when it comes to transforming management principles from an abstract vision into reality. This practical volume reveals how International Labour Standards (ILS) can be effective and powerful tools around which managers can build their corporate policies and practices --particularly during this era of rapid economic change. Increasing competition, changing customer demands and new structures of production and work have all altered the dynamics of the business environment. This book examines these issues and explores how incorporating ILS can help enterprises meet the challenges. It looks at the interrelationship between good management practices and ILS through numerous case studies and examples from both large and small companies from all over the world and demonstrates how implementing ILS in any company makes sound business sense.
