Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Democracy Made Safe The desirability of reforming our social system so that justice will flow down like water and righteousness like a mighty stream is conceded by every right-thinking person today. In the minds of the vast majority of people our present method of doing business is far from satisfactory as a basis of human society. As a result, the world teems with every description of reform organization imaginable. The mere existence of such societies and bands of well-disposed persons is evidence of the fact that something is wrong. How to go about the problem of readjusting society to conform with advanced ideals of humanity and social well-being is the thing which puzzles most people. What shall we do to be saved? is the well-nigh universal question. It is the purpose of the following pages to answer that question in a rational and humane spirit. Much is heard in these days of making the world safe for Democracy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
