Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

LIPPINCOTT NCLEX-RN ALTERNATE FORMAT QUESTIONS

Lippincott Williams and Wilkins, United States, 2016. Paperback. Book Condition: New. 6th Revised edition. 254 x 178 mm. Language: English . Brand New Book. Lippincott NCLEX-RN Alternate-Format Questions, 6th edition is designed to help anyone preparing to take the RN licensing examination. Students and faculty also use the book as a study guide and practice tests for preparing for faculty-made examinations. This expanded 6th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan and are written in the style used on the licensing examination. An accompanying PassPoint trial site provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.
