Life Values and Adolescent Mental Health

By Jacob Cohen

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book. Arising from the Cohens work on the epidemiology of childhood psychopathology, this book explores the two aspects of motivational structure--ideas and values--that underlie the development of maladaptive functioning and symptoms. The first aspect is a measure of what children admire in their peers; this measure is seen as an operationalization of personal ideals. The second is a measure of life goals, seen as a representation of the contemporary structure of long-term personal values. Despite the considerable amount of attention given in the popular press and among social critics and politicians, values have been relatively neglected as a topic of empirical research in this country. To fill the void, this work uses data from a large cohort of young people who have been studied longitudinally since early childhood to elucidate three aspects of life goals and values: * What are the demographic, family, peer, school, and intrapersonal influences that shape values and life goals of adolescents? * How do they change over the course of adolescence? * What impact do these values have on the lives of adolescents and young...
